

KESE* BODY PEELING

A treatment technique from the Far East that helps to remove dead skin cells. Kese body peeling and massage are performed on a marble plinth (Hammam). After the treatment you are invited to relax in sauna. Kese body peeling and massage leave your skin feeling very soft and clean.

*Kese – peeling glove.

Duration: 30 min. Price: 37 EUR.

ARABIC SOAP MASSAGE

Your body is covered with soap foam and full body massage is performed. The treatment leaves your skin feeling silky soft and radiant. Arabic soap massage is a unique and effective treatment with pleasant smelling fluffy clouds of soap foam. After the warm and painless massage you will feel like having a new skin.

Duration: 50 min. Price: 58 EUR.

SPONGE MASSAGE

Ancient treatment technique from the Far East. The treatment combines body exfoliation and tissue massage. The massage is performed with natural sponges and soap foam. Specific stretching and circular motions are applied with the sponge to the inner and outer sides of your body parts. In ancient time this treatment was called “a groom’s massage” and was performed before the wedding.

Duration: 50 min. Price: 58 EUR.

SLAVIC HONEY MASSAGE

The treatment starts with warming-up in a steam bath. Then full body massage with honey is performed. The type of honey depends on client’s needs. Lavender honey helps to relax; rosemary honey has toning effect, linden – heals, etc. The treatment has healing effect, smoothes, and firms and softens the skin and helps to recover strength after hard workout.

Duration: 60 min. Price: 58 EUR.

INDIAN RITUAL WITH RICE

It is a thousand years old treatment. Ritual includes rice body peeling and massage with special rice bags. It effectively removes toxins from upper layer of your skin and body. The treatment has a wonderful rejuvenating, detoxifying and firming effect.

Duration: 60 min. Price: 58 EUR.
